#### **Call to Order**

Chair Lorraine Williams called the meeting to order at approximately 9:05 a.m.

#### **Roll Call**

The following members were present during the September 14, 2009 EPSB meeting: Frank Cheatham, Michael Dailey, John DeAtley, Cathy Gunn, Mary Hammons, Lynn May, Gregory Ross, Becky Sagan, Zenaida Smith, Bobbie Stoess, Tom Stull, Mark Wasicsko, Lorraine Williams, and Cynthia York. Lonnie Anderson and Sandy Sinclair-Curry were absent.

#### **Recognition of Former Board Member**

Chair Lorraine Williams recognized Mr. James Hughley for his outstanding service as an EPSB board member. She informed the board that it was a historic moment when Mr. Hughley joined the board. He was the first board member to be certified as a teacher through the Troops to Teachers program. Mr. Hughley explained that it was a hard decision to separate himself from the EPSB, but ultimately he decided that it would be an excellent opportunity to work with the Kentucky Education Association (KEA). He stated that the EPSB's work is vital to the education profession and the Commonwealth of Kentucky.

#### **Approval of August 3, 2009 Minutes**

*Motion made by Dr. Mark Wasicsko, seconded by Ms. Zenaida Smith, to approve the August 3, 2009 minutes.*

**Vote:** *Unanimous*

#### **Open Speak**

There were no requests for Open Speak.

#### **Report of the Executive Director**

Dr. Rogers discussed the P-20 Data Collaborative Grant with the board. He explained that the Kentucky Department of Education (KDE), the Council on Postsecondary Education (CPE), and the EPSB entered into a Memorandum of Agreement for the purpose of creating a P-20 Data Collaborative to oversee the project of merging P-20 data and making it available for reporting, analysis, and research. Ultimately, it will allow policymakers to study linkages between preparation programs, teaching success, and student achievement. The system will be constructed via a series of grants; the third phase of the grant is currently being written. Funding through this grant will allow the

EPSB to contract with the Martin School of Public Policy and Administration for research assistance.

Dr. Rogers referred to the National Education Association (NEA) report, *Children of Poverty Deserve Great Teachers: One Union's Commitment to Changing the Status Quo*, in the board's folders. He stated that this new report discusses NEA's commitment to support quality teaching in high-need schools.

Dr. Marilyn Troupe welcomed and introduced four new Kentucky deans/chairs: Dr. Tom Payne, Brescia University Chair; Dr. Mary John O'Hair, University of Kentucky Dean; Dr. Eve Proffitt, Georgetown College Interim Dean; and Sister Mary Shaughnessy, St. Catharine College Chair.

Ms. Zenaida Smith welcomed nine of her high school students who attended the board meeting. These students translated the Code of Ethics for the board as a project in her Spanish class. One of the students, Ms. Brandi Waggoner, explained how the students translated the Code of Ethics. She said that she and her classmates are always looking for opportunities to help the community. She presented Dr. Rogers with a final copy of the Code of Ethics and said it would be an honor to assist the board with other projects in the future. Ms. Smith's students introduced themselves to the board. Their names were as follows: Michael Hall, Jenifer Phillips, Brandi Waggoner, Rachael Craig, Haley Abrams, Brittany Meadows, Steven Shorts, Cody Risner, and Loren Huffman. Dr. Rogers thanked the students and said he would be contacting Ms. Smith in the near future with another project for the students.

### Report from the Kentucky Department of Education (KDE)

Mr. Michael Dailey reported on the recent events of KDE. He stated that KDE is focused on Race to the Top efforts. He said that Kentucky is poised well to receive Race to the Top funding due in part to Senate Bill 1 requirements, which call for education reform. He said teacher effectiveness seems to be an emerging lead theme in the Race to the Top proposal. There are four components to the application:

- \* Adopting internationally benchmarked standards and assessments that prepare students for success in college and the workplace;
- \* Recruiting, developing, retaining, and rewarding effective teachers and principals;
- \* Building data systems that measure student success and inform teachers and principals how they can improve their practices; and
- \*Turning around our lowest-performing schools

### Report from the Council on Postsecondary Education

Mr. John DeAtley reported that CPE, KDE, and the EPSB have been working closely together on Senate Bill 1 efforts and the Race to the Top application. He said that CPE is currently waiting for the new CCSSO standards to be published before more work can be done on SB 1 requirements. These standards should be released by the middle of September.

Mr. DeAtley further reported that CPE has been busy scheduling and conducting conferences. On September 11<sup>th</sup>, the 2009 Governor's Conference on Postsecondary Education Trusteeship was held in Bowling Green. An ACT summit will be held on November 19<sup>th</sup> in Bowling Green and on November 20<sup>th</sup> in Lexington.

## Agenda Book

Mr. DeAtley stated that CPE leadership has shifted into budget mode in preparation for the biennium budget. The Governor told the Governor's Conference attendees on September 11<sup>th</sup> that the outlook for the state budget is not good as recovery is occurring later in Kentucky, and the 2010 budget promises no new money.

Ms. Zenaida Smith stated that she appreciates the three education agencies' working together. Dr. Rogers stated that he would still like to discuss the possibility of a joint meeting of all three agencies. He has spoken with the other agency heads to see if this could be arranged.

Dr. Rogers informed the board that separate presentations will be given on the SB 1 initiative and the principal preparation redesign at the EPSB's October meeting.

Evaluation of the Executive Director Committee

Dr. Frank Cheatham reported that evaluations for Dr. Rogers were mailed to the board and EPSB staff at the beginning of September. Evaluations should be postmarked to the committee by September 15<sup>th</sup>. The committee will report to the board on the results of the evaluation at its October meeting.

**Information/Discussion Item**

16 KAR 2:010. Kentucky Teaching Certificates, Notice of Intent

Mr. Mike Carr reported on proposed changes to 16 KAR 2:010. These changes are mostly a result of the Certification Task Force recommendations that were approved at the May 2009 EPSB meeting.

Key areas addressed by the proposed regulation are as follows:

- \* Permission for holders of the current Kentucky certificate for Middle Grades Mathematics, Grades 5-9, to teach Algebra 1 in grades 10 and 11;
- \* The addition of a new endorsement area for Literacy Specialist, P-12;
- \* The addition of a new Reading endorsement, Grades P-12;
- \* The elimination of the endorsement for School Nutrition;
- \* The addition of a new endorsement for Elementary Mathematics Specialist, Grades P-5;
- \* The addition of a new endorsement for American Sign Language, Grades P-12;
- \* Modifications to the TC-HQ certification option to move the successful content assessment score (2) into the 90 point formula, clarify the experience accepted, and make changes in the certification areas affected.

Mr. Carr further reported that the Career/Technical Education Work Group met and recommended a change to the regulation to change a certificate area name from "Technology Education" to "Engineering and Technology." Mr. Carr stated that this change was recommended as it more closely reflects the work in this area as well as helping to eliminate some confusion on the Local Educator Assignment Data (LEAD) report as to what specific areas are covered under the technology education certificate.

16 KAR 2:120. Emergency Certification and Out-Of-Field Teaching, Notice of Intent

Mr. Carr reported that changes to full-time emergency certificates were recommended by the Certification Task Force that convened in early fall 2008. The recommended changes to this regulation would eliminate the subsequent issuance of a full-time emergency teaching certificate to the same individual for a second time except in two limited circumstances. A certificate may be re-issued to the same person for one year and for one time only if the original emergency certificate was issued after February 15<sup>th</sup> of a school year or if the original emergency certificate was used to cover 50 percent or less of the individual's teaching assignment. Mr. Carr stated that upon board approval, this regulation should be approved by next spring, which will give one year's notice to school districts before full implementation on July 1, 2011. This regulation will be brought before the board for final action at the October EPSB meeting.

16 KAR 2:\_\_\_\_. Probationary Endorsement for Teachers for English as a Second Language, Notice of Intent (to Promulgate New Regulation)

Mr. Carr reported that this proposed new regulation and form are the result of a Certification Task Force recommendation that was approved by the EPSB at its May

## Agenda Book

2009 meeting. This new regulation would create a new probationary endorsement for teachers of English as a Second Language, grades P-12. He further added that this new endorsement will greatly increase the options for local school districts as they look to fill this shortage teaching area. This regulation will be brought before the board for final action at the October EPSB meeting.

### Awarded Contracts

Mr. Gary Freeland reported that contracts totaling \$43,709 were awarded to the eight public universities for the KTIP program to provide funding to support the Career and Technical Education teacher educators and the training of KTIP committee members. Funding for this contract was given to the EPSB through the Federal Perkins Grant under the Education and Workforce Development Cabinet.

Mr. Freeland further reported that two attorneys (Ms. Katie Morgan and Ms. Whitney Crowe) were each awarded a contract totaling approximately \$40,000. These contracts replaced those of two former attorneys whose contracts were cancelled. Both attorneys will work at the EPSB office under the direct supervision of Ms. Alicia Sneed, the director of the Division of Legal Services.

Dr. Mark Wasicsko asked to see a copy of the National Board agreement. Mr. Gary Freeland provided the board with copies of the agreement later in the meeting.

Approval of Educator Preparation Program: Biological Science 8-12 (MAT), Chemistry 8-12 (MAT), Earth Science 8-12 (MAT), and Physics 8-12 (MAT); University of the Cumberlands

Dr. Gary Pate, Dr. Melissa Gibson, and Ms. Norma Patrick from the University of the Cumberlands were called to the table to answer board questions. Dr. Troupe stated that the university is seeking program approval for a Master of Arts in Teaching in Biological Science 8-12, Chemistry 8-12, Earth Science, 8-12, and Physics 8-12. Dr. Pate stated that the University of the Cumberlands has had a good history of providing quality teachers for Kentucky, including its MAT programs.

Dr. Frank Cheatham asked for the distinction between part-time faculty and adjunct faculty. Dr. Pate responded that there are university full-time faculty, department part-time faculty, and adjunct faculty. He added that the adjunct faculty is very involved with students. They attend portfolio defenses, participate in graduations, serve on committees, etc.

Dr. Mark Wasicsko stated his concern that within the last five years, the University of the Cumberlands has graduated a limited number of students in the science areas. Additionally, Dr. Wasicsko stated that content specific methodology is a program expectation; however, the supplied faculty list does not include anyone with a science methodology background. He expressed concern that the programs have insufficient faculty and resources. Dr. Troupe stated that she contacted Dr. Pate regarding similar concerns, and Dr. Pate sent a list of science faculty for each of the science content areas.

Dr. Wasicsko asked University of the Cumberlands representatives about admission criteria for the program. Dr. Melissa Gibson stated that the university primarily uses letters of recommendation and writing samples from applicants for entrance. Dr. Troupe stated that it does not appear that the university is following the admission criteria in the plan submitted to EPSB staff. The plan submitted to staff indicated that applicant interviews were conducted upon admittance.

Dr. Wasicsko asked how staff monitors the programs. Dr. Troupe stated that staff monitors the programs through the accreditation process, Praxis scores, teacher surveys, and annual reports. Dr. Wasicsko stated that he is concerned about the university's admission requirements. He added that research has indicated that letters of reference have proven to be relatively useless. Dr. Gibson asked Dr. Wasicsko for suggestions. Dr. Wasicsko suggested speaking with colleagues who have similar programs.

Mr. John DeAtley said that the program appears to meet the regulatory requirements set forth by the board. Dr. Wasicsko questioned whether the documentation submitted to the Review Committee reflects the way the program will actually be administered.

**2009-060**

*Motion made by Mr. John DeAtley, seconded by Dr. Frank Cheatham, to approve the proposed Biological Science 8-12 (MAT), Chemistry 8-12 (MAT), Earth Science 8-12 (MAT), and Physics 8-12 (MAT) preparation program addition.*

**Vote:** 13- Yes

1- Abstain (Dr. Mark Wasicsko)

Approval of Educator Preparation Program: Alternative Route to Certification Proposal for Master of Arts in Teaching in Four Science Areas: Chemistry, Physics, Earth Science, and Biology; University of the Cumberland

Dr. Troupe reported that this is the first mentoring plan the board has reviewed for MAT programs for Alternative Route to Certification programs. The board raised several questions and/or concerns regarding the mentoring plan. Dr. Cathy Gunn expressed concern that a student could be assigned a poor mentor. She recommended that the university be more involved with monitoring mentors, as these candidates are placed directly in the classroom with children upon admission to the program. Chair Williams commented that the board concerns are not confined to the university but pertain to mentoring in general. Dr. Rogers stated that, as the board refines its understanding, it may wish to revisit mentoring in Option 6 programs. Dr. Wasicsko suggested an Option 6 summit.

**2009-060**

*Motion made by Ms. May, seconded by Mr. Ross, to approve University of the Cumberland's alternative route to certification proposal for the MAT in four science areas: Chemistry, Physics, Earth Science, and Biology.*

**Vote:** Unanimous

Dr. Cindy Gnadinger stated that the entire review experience has been positive and a total team effort among faculty and school partners.

2009 Title II Report

Dr. Troupe reported that the annual Title II report is a statutory requirement. She stated that all institutions had at least an 80% pass rate.

**2009-062**

*Motion made by Mr. DeAtley, seconded by Dr. Wasicsko, to approve the 2007-2008 Title II Report for submission to the USDOE.*

**Vote:** Unanimous

## Agenda Book

Dr. Troupe explained to the board that the Title II report will change significantly in the near future. Institutions will be required to send their reports to the USDOE directly as well as to the EPSB. Kentucky will also be required to send a report to the USDOE. Institutions will also be required to complete separate reports for traditional and alternative programs.

In addition, Dr. Troupe reported that in order to achieve a 100% pass rate, many institutions require students to pass required Praxis exams before student teaching. Congress is aware that this process is occurring and is asking institutions questions about their clinical practice, the number of students taking courses before and after student teaching, the number of hours spent in clinical practice and coursework, etc. She explained that webinars have been available discussing the changes, and the comment stage has closed. The new official form is now available for use by institutions. Staff will be speaking to the board further about the new form at an upcoming board meeting.

#### 16 KAR 5:040. Admission, Placement, and Supervision in Student Teaching, Request to Waive the Cooperating Teacher Eligibility Requirements, Dr. Bobby Starnes on behalf of Mr. Gary Gay

Dr. Kathryn Akural was called to the table to answer board questions.

**2009-066**

*Motion made by Dr. Mark Wasicsko, seconded by Ms. Lynn May, to approve the waiver request of Dr. Bobby Starnes on behalf of Mr. Gary Gay.*

Mr. John DeAtley asked whether the basis for the waiver request is solely due to the student teacher's requesting a male mentor. Dr. Akural responded in the affirmative, that the student teacher specifically requested a male mentor. She added that the student teacher is a very strong, articulate, and committed teacher who is concerned about the lack of male teachers in the elementary school setting. University faculty wanted to honor his request but have been unsuccessful in finding a willing cooperating teacher who meets the requirements. She added that Mr. Gay is an excellent teacher.

Mr. DeAtley responded that from his perspective gender alone is not a good reason to waive a regulation. Mr. Greg Ross stated that as a male elementary school teacher, he understands the request, but Mr. Gay is not even close to meeting the cooperating teacher requirements. Mr. Tom Stull stated his belief that this is a valid waiver request and he will support it. He added that he can understand why the student teacher wants to see another male perform in an elementary school setting. Ms. Lorraine Williams voiced her agreement with Mr. Stull.

Board attorney Angela Evans cautioned the board. She said it does appear that this waiver request was made solely because of gender and that the board may be heading down a path it might want to reconsider because other qualified teachers could serve as a cooperating teacher. Dr. Cathy Gunn stated that the student teacher could be placed with a qualified cooperating teacher and still receive mentoring from a male teacher.

**Vote:** Yes – 5

No – 7

Recuse – 2 (Dr. Cathy Gunn, Mr. Michael Dailey)

**Board Comments**

Mr. Greg Ross commented that with mentoring in mind, it would be a good idea for MAT programs to be structured like the Kentucky Teacher Internship Program. Chair Williams and Dr. Rogers thanked Ms. Zenaida Smith for assigning her students the task of translating the Code of Ethics and bringing the students to the meeting.

**Action Item A**

**Action Item**

Request approval of the EPSB FY 2011 -2012 biennial budget request, as presented.

**Applicable Statutes and Regulation**

KRS 48.040

**Applicable Goal**

Goal 5: The EPSB shall be managed for both effectiveness and efficiency, fully complying with all statutes, regulations, and established federal, state, and agency policies.

**Issue**

Should the Education Professional Standards Board (EPSB) approve the FY 2011-2012 budget request, as presented, to be submitted to the Education Cabinet and the Governor's Office for Policy and Management?

**Background**

The EPSB budget request booklets must be submitted to the Education Cabinet on October 24, 2009, and then forwarded to the Governor's Office for Policy and Management (GOPM) for review and approval. The budget request has been developed in line with the priorities and guidelines provided by the EPSB, executive director, and the GOPM. The budget request documents are too voluminous to provide an entire set for each board member; however, key information will be presented at the board meeting to provide a clear understanding of additional funding requests, capital project requests, priorities and other information that will be submitted.

Copies of the complete budget request documents are available for any board members who want to review them.

**Alternative Actions**

1. Authorize the deputy executive director to submit the 2011-2012 budget request to the Secretary of Education and Workforce Development and the office of the State Budget Director, as presented.
2. Modify parts of the 2011-2012 budget request and approve the submission of the budget request with modifications.

**Staff Recommendation**

**Rationale**

Instructions were issued by the State Budget Director in the Governor's Office of Policy and Management on August 25, 2009. "All Executive Branch cabinets, departments, agencies should provide the required budget request forms, attachments, and supporting documentation for both the capital budget and the operating budget no later than November 2, 2009."

**Action Item B**

**Action Item:**

2010 Legislative Agenda

**Applicable Statute:**

KRS 161.028

**Applicable Goals:**

All Goals.

**Issue:**

Should the Education Professional Standards Board approve the 2010 legislative agenda?

**Background:**

The General Assembly will meet for its regularly scheduled 60-day session beginning in January 2010. Prior to the commencement of the legislative session, the Board customarily prepares with the aid of staff a legislative agenda designed to promote the Board's mission. Staff utilizes the final legislative agenda to prepare proposed bills for statutory amendments and to advance the Board's goals when working with legislators.

During this legislative session, the General Assembly will be required to pass the 2010-2012 budget for the Commonwealth. During the October 19, 2009 board meeting, the Board will review and approve the EPSB's FY 2011-2012 budget request, which shall be submitted to the Governor's office. In combination with that application, staff recommends including in the legislative agenda requests that the General Assembly fully fund the EPSB and all the EPSB's programs in the next biennium and designate the Kentucky Teacher Internship Program (KTIP) a "necessary governmental expense." Such a designation will allow KTIP to receive additional funds if the number of interns spikes during the biennium. Also included in the agenda is a request to allow the EPSB to carry over unused KTIP funds from one year to the next.

Finally, the legislative agenda includes opposing any change to the EPSB's current statutory authority and supporting any legislation which further supports the EPSB's mission and goals so that the current direction of the EPSB to improve teacher quality may continue.

**Alternative Actions:**

1. Approve the 2010 legislative agenda.
2. Modify and approve the 2010 legislative agenda.
3. Do not approve the 2010 legislative agenda.

**Applicable Goal:**

Goal 2: Every professional position in a Kentucky public school is staffed by a properly credentialed educator.

**Issue:**

Should the Education Professional Standards Board approve changes to 16 KAR 2:010?

**Background:**

In early fall 2008, EPSB staff convened the Certification Task Force composed of university certification officers, district personnel directors, and other stakeholder groups to study current certification regulations and recommend to the EPSB possible changes to be enacted in this area. These recommendations were approved by the EPSB in its May 2009 meeting. The final adoption of many of the recommendations will require changes to 16 KAR 2:010.

Key areas addressed by the proposed regulation:

- Permission for holders of the current Kentucky certificate for Middle Grades Mathematics, Grades 5-9, to teach Algebra I in grades 10 and 11;
- The change in the certificate title of Technology Education to Engineering and Technology;
- The addition of a new endorsement for Literacy Specialist, Grades P-12;
- The addition of a new Reading endorsement, Grades P-12;
- The elimination of the endorsement for School Nutrition;
- The addition of a new endorsement for Elementary Mathematics Specialist, Grades P-5;
- The addition of a new endorsement for American Sign Language, Grades P-12;
- Modifications to the TC-HQ certification option to move the successful content assessment score(s) into the 90 point formula, clarify the experience accepted, and make changes in the certification areas affected.

**EDUCATION PROFESSIONAL STANDARDS BOARD  
STAFF NOTE**

**Action Item D**

**Action Item:**

16 KAR 2:120. Emergency Certification and Out-of-Field Teaching, Final Notice

**Applicable Statutes:**

KRS 157.390, 161.020, 161.028, and 161.030, 161.100, 161.1211, 161.1221, 334A.030, 334A.030, 334A.035, 334A.050, 334A.060

**Applicable Goal:**

Goal 2: Every professional position in a Kentucky public school is staffed by a properly credentialed educator.

**Issue:**

Should the Education Professional Standards Board approve changes to 16 KAR 2:120?

**Background:**

In early fall 2008, EPSB staff convened the Certification Task Force composed of university certification officers, district personnel directors, and other stakeholder groups to study current certification regulations and recommend to the EPSB possible changes to be enacted in this area. These recommendations, which included restricting the re-issuance of full-time emergency teaching certificates, were approved by the EPSB in its May 2009 meeting.

Changes to this regulation would eliminate the subsequent issuance of a full-time emergency teaching certificate to the same individual for a second time except in two limited circumstances. Such a certificate could be issued to the same person for one year and for one time only if the original emergency certificate was issued after February 15 of a given school year or if the original emergency certificate was used to cover 50 percent or less of the individual's teaching assignment.

Changes are also being proposed to this regulation to incorporate by reference the Form TC-4 and Form TC-4VE which are used for the certification of emergency teaching personnel.

**Groups/Persons Consulted:**

Certification Task Force members

Career and Technical Education Certification Workgroup members

Kentucky Association of Colleges for Teacher Education

Kentucky Association of School Human Resource Managers

Center for Middle School Academic Achievement

Bluegrass Council of Teacher Educators (Fayette County Public Schools)

## Agenda Book

Mathematics faculty members at Northern Kentucky University, Eastern Kentucky University, Western Kentucky University and Murray State University

Mathematics program personnel with the Kentucky Department of Education

Electronic survey sent to state superintendents, human resources directors, principals, higher education deans/chairs and Teacher Education Committee members

### **Alternative Actions:**

1. Approve the changes as noted to 16 KAR 2:120;
2. Modify and approve the changes as noted to 16 KAR 2:120;
3. Do not approve the changes as noted to 16 KAR 2:120.

### **Staff Recommendation:**

Alternative Action 1

### **Rationale:**

The changes to 16 KAR 2:120 represent modifications approved by the EPSB during its May 2009 meeting. These changes were the result of the work of the EPSB's Certification Task Force during the 2008-09 school year.

**EDUCATION PROFESSIONAL STANDARDS BOARD  
STAFF NOTE**

**Action Item E**

**Action Item:**

16 KAR 2:200. Probationary Endorsement for Teachers for English as a Second Language, Final Action

**Applicable Statutes:**

KRS 161.020, 161.028, and 161.030

**Applicable Goal:**

Goal 2: Every professional position in a Kentucky public school is staffed by a properly credentialed educator.

**Issue:**

Should the Education Professional Standards Board approve the adoption of 16 KAR 2:200?

**Background:**

In early fall 2008, EPSB staff convened the Certification Task Force composed of university certification officers, district personnel directors, and other stakeholder groups to study current certification regulations and recommend to the EPSB possible changes to be enacted in this area. These recommendations, which included this probationary endorsement, were approved by the EPSB in its May 2009 meeting. The attached regulation would create a new probationary endorsement for teachers of English as a second language, grades P-12.

This new endorsement will greatly increase the options for local school districts as they look to fill this shortage teaching area in a field where the need for teachers is increasing annually. The attached regulation and application form were reviewed by a group of professionals in the field of English as a Second Language representing all Kentucky institutions which offer such programs for teacher certification.

**Groups/Persons Consulted:**

Certification Task Force members

Career and Technical Education Certification Workgroup members

Members of Kentucky institutions offering English as a Second Language programs

Kentucky Association of Colleges for Teacher Education

Kentucky Association of School Human Resource Managers

Center for Middle School Academic Achievement

Bluegrass Council of Teacher Educators (Fayette County Public Schools)

## Agenda Book

Mathematics faculty members at Northern Kentucky University, Eastern Kentucky University, Western Kentucky University and Murray State University

Mathematics program personnel with the Kentucky Department of Education

Electronic survey sent to state superintendents, human resources directors, principals, higher education deans/chairs and Teacher Education Committee members

### **Alternative Actions:**

1. Approve the changes as noted to 16 KAR 2:200;
2. Modify and approve the changes as noted to 16 KAR 2:200;
3. Do not approve the changes as noted to 16 KAR 2:200.

### **Staff Recommendation:**

Alternative Action 1

### **Rationale:**

The changes to 16 KAR 2:200 represent modifications approved by the EPSB during its May 2009 meeting. These changes were the result of the work of the EPSB's Certification Task Force during the 2008-09 school year.

**EDUCATION PROFESSIONAL STANDARDS BOARD  
STAFF NOTE**

**Action Item F**

**Action Item:**

Emergency Review of Certification Program Pursuant to the 2007-2008 Title II Report

**Applicable Statutes and Regulation:**

KRS 161.028 and 030

16 KAR 5:010

**Applicable Goal:**

Goal 1: Every approved educator preparation program meets or exceeds all accreditation standards and prepares knowledgeable, capable teachers and administrators who demonstrate effectiveness in helping all students reach educational achievement.

**Issue:**

Should the Education Professional Standards Board (EPSB) accept the Executive Director's recommendation subsequent to the emergency review conducted on the basis of the 2007-2008 Title II Report?

**Background:**

Pursuant to KRS 161.028 (1), the EPSB oversees all educator preparation programs in the Commonwealth. Accordingly, the board established the Emergency Review of Certification Programs Procedure (September 22, 2003), which authorizes the Executive Director to request information regarding any program in which one or more Praxis (or state) assessments required for certification in the respective area evidence a pass rate below 80 percent on the annual Title II Report. For cells of fewer than 10 persons, an aggregate of program completer data from the past three years is used. Any certification area having less than a total of three program completers for the past three years is not reported.

Based on the 2007-2008 Title II Report results, the Executive Director requested submission of documentation indicating what plans had been implemented to improve the pass rate on Praxis II exams from three institutions: Lindsey Wilson College, Murray State University, and Mid-Continent University. Letters were mailed June 2009, giving the institutions until August 28, 2009 to respond. The individual programs and the pass rate for each are listed in the staff note. Each institution's plan will be provided under separate cover.

The recommendation of the Executive Director is to accept the plans with no follow-up action necessary. The following areas reflect a pass rate of less than 80 percent on the 2007 – 2008 Title II Report:

\* Lindsey Wilson College: Middle School English Language Arts (0049) with a 67 percent pass rate

\* Mid-Continent University: Elementary Education Content Knowledge (0014) with a 75 percent pass rate

\* Murray State University: Health Education (0550) with a 79 percent pass rate for

2007 – 2008 and Physical Education Content Knowledge (0091) with a 79 percent pass rate

### **Alternative Action:**

1. Accept and approve the recommendation of the Executive Director
2. Modify and approve the recommendation of the Executive Director
3. Do not approve the recommendation pursuant to the Executive Director's emergency program review

**EMERGENCY REVIEW OF CERTIFICATION PROGRAMS PROCEDURE**

**Approved August 26, 2002  
Amended September 22, 2003**

Pursuant to KRS 161.028(1), the Education Professional Standards Board (“the Board”) has the authority to discontinue approval of educator preparation programs whose graduates do not perform according to criteria set by the Board. If the criteria set forth below is met, the following two-phase procedure will be used to conduct an emergency review of a program to determine if the deficiencies can be corrected or if the Board should take action to discontinue its approval.

**Criteria:**

A certification program<sup>1</sup> is subject to emergency review if any one or more PRAXIS (or state<sup>2</sup>) assessments required for that respective certification evidence a pass rate below 80 percent, effective with the 2003-04 Title II Report.<sup>3</sup> (The current 70 percent pass rate will be used for the 2002-03 Title II Report.) For cells of less than 10 persons, an aggregate of program completer data from the past three years may be used to determine the need for an emergency review.

**Procedure:**

**Phase One:** The Executive Director is authorized by the Board to notify an institution that one or more of its certification programs is/are subject to emergency review. Within 30 working days of this notification, the institution submits to the Executive a written narrative, which may, at the Executive Director’s discretion, address one or more of the following questions specific to the program(s) under review:

- a) Why is (are) the PRAXIS (or state) pass rate(s) so low? (NCATE Standard 1<sup>4</sup>)
- b) What commonalities exist among students in this program who have failed the PRAXIS (or state) assessments? (NCATE Standard 1)
- c) What is being done to provide remedial help for students who fail the assessments? (NCATE Standard 1)

---

<sup>1</sup> “Program” is defined as a certification area, e.g., English, math, guidance counseling. “Program” should not be confused with “unit,” which is defined as the entire education department and is reviewed during an accreditation visit.

<sup>2</sup> A state exam currently exists for Interdisciplinary Early Childhood Education certification.

<sup>3</sup> Pursuant to October 2002 action of the National Council for Accreditation of Teacher Education’s (NCATE’s) Unit Accreditation Board, effective 2003.

<sup>4</sup> NCATE. “Professional Standards for the Accreditation of Schools, Colleges, and Departments of Education,” 2002 Edition.

## Agenda Book

- d) How are students advised regarding their entrance into and successful completion of the certification program(s), including their need to pass the PRAXIS (or state) assessment(s)? (NCATE Standard 1)
- e) How is course content aligned with the PRAXIS (or state) assessments and the Kentucky Board of Education's Core Curriculum? (NCATE Standard 1)
- f) How are students prepared to take the PRAXIS (or state) assessments? (NCATE Standards 1 & 2)
- g) What are the entrance requirements for the certification program(s)? (NCATE Standards 1 & 2)
- h) How many students have been admitted to the certification program(s) for each of the last five years, and how many have successfully completed the program(s) for the same time period? (NCATE Standards 1 & 2)
- i) What have been the PRAXIS (or state) scores for program completers for the last five years, if available? (NCATE Standards 1 & 2)
- j) What field experiences are provided in the program(s)? (NCATE Standard 3)
- k) What faculty (e.g., number, qualifications, full-time/part-time) are assigned to the program(s), and what professional development is provided for them? (NCATE Standard 5)
- l) What financial resources support the program(s)? (NCATE Standard 6)
- m) What will be done to improve the PRAXIS (or state) assessment pass rate(s) so that at least 70 percent of program completers are successful, and what will be the timeframe within which this will be accomplished? (NCATE Standard 1)
- n) What follow-up, if any, has been done with graduates of the program(s)? (NCATE Standard 1)
- o) What is/are the subsequent PRAXIS pass rate(s)?
- p) Any other relevant questions as determined by the Executive Director.

The Executive Director reviews the institution's submission and (1) accepts the institution's documentation and plan for improvement, (2) requests a modification in the documentation and/or plan for improvement, or (3) assigns the institution to Phase Two. The Executive Director then makes a report to the Board.

**Phase Two:** The Executive Director is authorized by the Board to send a team composed of Board of Examiner members and EPSB staff to do an emergency review of the certification program(s) pursuant to 16 KAR 5:010. The team makes recommendations to the Board regarding technical assistance needed in the areas addressed in Phase One, and the institution may respond to the recommendations if it so chooses. The Board reviews the recommendations, modifying them if necessary, and forwards the recommendations to the institution for implementation as the institution deems appropriate. The Board also informs the institution of the timeframe within which the certification program's(s') PRAXIS (or state) assessment pass rate(s) will be expected to reach at least the 80 percent level. Subsequently, staff reports to the Board regarding the institution's progress.

**Action Item G**

**Action Item:**

Asbury College request to offer programs at one off-site campus

**Applicable Statutes and Regulation:**

161.028, 161.048

16 KAR 5:010, Section 28

**Applicable Goal:**

Goal 1: Every approved educator preparation program meets or exceeds all accreditation standards and prepares knowledgeable, capable teachers and administrators who demonstrate effectiveness in helping all students reach educational achievement.

**Issue:**

Should the Education Professional Standards Board (EPSB) approve Asbury College's request to establish one off-site campus?

**Background:**

Regulation 16 KAR 5:010 Standards for Accreditation of Educator Preparation Units and Approval of Programs was revised in 2007 to require Education Professional Standards Board (EPSB) approval for off-site campuses established by educator preparation institution. The change was made to assist staff in monitoring the various off-site campuses that continue to grow across the state without EPSB oversight. The regulation requires educator preparation institutions to seek approval from the EPSB before establishing off-site campuses when offering single courses or whole programs.

Asbury College's School of Education is requesting permission to establish one off-site campus: the Jessamine Career and Technology Center (JCTC). Asbury plans to offer face-to-face and online courses for two programs.

1. Undergraduate (Initial Preparation) – Online Course Delivery  
Elementary Education P-5 ACHIEVE Program (Adult Degree Completion)
2. Graduate (Advanced Preparation/Teacher as Leader) – Online Course Delivery & offsite course delivery at JCTC

Asbury College has included additional documentation focusing on the institutions off-site campus and the online initiative. The regulation does not require a separate approval for online delivery of programs at this time. Both the elementary and teacher as leader programs listed in the staff note are currently operational. The ACHIEVE Program is not a new certification area. It provides an additional option for adult candidates with 50 hours of college credit to complete certification in elementary education. This is a college wide program and is not limited to the School of Education. The supporting documentation provides a list of courses to be taught by semester using the mixed delivery method on the Asbury and JCTC campuses.

It should be noted that 16 KAR 5:010, Section 28 is based on the location of the off-site campus and the resources available to candidates in attendance. Today's action is to approve the one location at Jessamine Career and Technology Center. It should also be noted that Asbury College had an onsite visit by SACS (Southern Association of Colleges and Schools) April 2009 and have been recommended for approval of all substantive changes that includes the change related to Regulation 16 KAR 5:010, Section 28. (Supporting documentation is under separate cover).

**Alternative Actions:**

1. Approve the Asbury College request to establish one off-site campus.
2. Modify and approve the Asbury College request to establish one off-site campus.
3. Do not approve the Asbury College request to establish one off-site campus.

**Staff Recommendation:**

Alternative 1

**Rationale:**

Asbury College can provide the necessary financial resources, educational supplies, advisement, and faculty to support the additional off-site campus. Candidates will have full access to instructional and technological resources and the university's library. The college included a description of the JCTC campus resources.

**Action Item, Waiver A**

**Action Item:**

Waiver of the Cooperating Teacher Eligibility Requirements

**Applicable Statutes and Regulation:**

16 KAR 5:040, Section 2

**Applicable Goal:**

Goal 1: Every approved educator preparation program meets or exceeds all accreditation standards and prepares knowledgeable, capable teachers and administrators who demonstrate effectiveness in helping all students reach educational achievement.

**Issue:**

Should the Education Professional Standards Board grant a waiver of the cooperating teacher eligibility requirements?

**Background:**

Dr. Cathy Gunn, Dean, College of Education, Morehead State University, is requesting a waiver of 16 KAR 5:040, Section 2 which requires that if the cooperating teacher has not attained the Rank II, he or she must have completed a minimum of 15 hours toward the Rank II within a minimum of 5 years.. The request, on behalf of Ms. Andrea Wolfe, is for spring 2010.

This request is made in order to support an ongoing pilot Professional Development School project. To facilitate the evaluation of the pilot project, the project director would like to have all five student teachers in the project complete their student teaching together at West Carter High School.

Of the five English teachers at West Carter, only Ms. Wolfe does not meet the minimum qualifications to serve as a cooperating teacher. She will complete her Master's degree (she currently has a 4.0 GPA) in the spring of 2010 but lacks the three years of teaching experience required by 16 KAR 5:040. She will complete her third year of teaching this spring. Ms. Wolfe, who comes highly recommended by her principal, fully meets all other requirements of the regulation

A copy of Dr. Gunn's letter and other supporting documentation are under separate cover.

**Alternative Actions:**

1. Approve the waiver request
2. Deny the waiver request

NECESSITY, FUNCTION, AND CONFORMITY: KRS 161.028 requires that an educator preparation institution be approved for offering the preparation program corresponding to a particular certificate on the basis of standards and procedures established by the Education Professional Standards Board. KRS 161.030 requires that a certificate shall be issued to a person who has completed a program approved by the Education Professional Standards Board. KRS 161.042 requires the Education Professional Standards Board to promulgate an administrative regulation relating to student teachers, including the qualifications for supervising teachers. This administrative regulation establishes the standards for admission, placement, and supervision in student teaching.

In placing the student teachers in classroom settings, the educator preparation program and the school district shall make reasonable efforts to place student teachers in settings that provide experiences, situations, and challenges similar to those encountered by first year teachers.

(2) Each educator preparation institution shall provide a full professional semester to include a period of student teaching for a minimum of twelve (12) weeks, full day, or equivalent, in school settings that correspond to the grade levels each and content area of the student teacher's certification program.

- (b) Not supplant the educator preparation institutions' compensation responsibility.

Section 8. Incorporation by Reference. (1) "Cooperating Teacher Payment Voucher", revised 7/2000, is incorporated by reference.

**Action Item, Waiver B**

**Action Item:**

Request to waive language in 16 KAR 6:010 pertaining to Elementary and Middle School Mathematics certification assessment requirements

**Applicable Statutes and Regulation:**

KRS 161.028; KRS 161.030  
16 KAR 6:010

**Applicable Goal:**

Goal 2: Every professional position in a Kentucky public school is staffed by a properly credentialed educator.

**Issue:**

Should the Education Professional Standards Board waive language in 16 KAR 6:010 requiring an individual pursuing Elementary certification assessment requirement to successfully complete the *Praxis II Elementary Education: Content Knowledge (0014)* and/or Middle School Mathematics certification assessment requirement to complete the *Middle School Mathematics (0069)*?

**Background:**

Kentucky requires the following Praxis II tests for Elementary certification:

- *PLT: Grades K-6 (0522)* and
- *Elementary Education: Content Knowledge (0014)*

Kentucky requires the following Praxis II tests for Middle School Mathematics:

- *PLT: Grades 5-9 (0523)* and
- *Middle School Mathematics (0069)*

To determine whether the *Georgia Assessments for the Certification of Educators (GACE)* tests, *Early Childhood Education (001)* and *(002)* are equivalent to the *Elementary Education: Content Knowledge (0014)* test, staff reviewed the GACE Test Design and Frameworks documents as well as the Educational Testing Service (ETS) Test at a Glance (TAAG) documents.

To determine whether the *GACE Middle Grades Mathematics (013)* is equivalent to the *Praxis II Middle School Mathematics (0069)* test, staff reviewed the GACE Test Design and Frameworks documents as well as the ETS TAAG document. Below is a summary of the findings.

The *GACE Early Childhood Education (001)* assesses a candidate's knowledge of content in the areas of Reading and English Language Arts (40 multiple choice and one constructed response) and Social Studies (20 multiple choice and one constructed response). The test contains 60 multiple choice and two constructed response items.

The *GACE Early Childhood Education (002)* assesses a candidate's knowledge of content in the following areas:

- Mathematics (25 multiple choice and one constructed response)
- Science (20 multiple choice and one constructed response)
- Health, Physical Education, and the Arts (15 multiple choice)

The *Praxis II Elementary Education: Content Knowledge (0014)* assesses a candidate's knowledge in the areas of Reading/Language Arts, Mathematics, Social Studies, and Science. Each content area contains approximately 30 multiple choice items.

The *GACE Middle Grades Mathematics (013)* assesses a candidate's knowledge in the following areas:

- Numbers and Operations
- Measurement and Geometry
- Patterns, Algebra, and Functions
- Data Analysis and Probability
- Mathematical Processes and Perspectives

The test contains 60 multiple choice and two constructed response items.

The *Praxis II Middle School Mathematics (0069)* assesses a candidate's knowledge in the following areas:

- Arithmetic and Basic Algebra
- Geometry and Measurement
- Functions and Their Graphs
- Data, Probability, and Statistical Concepts; Discrete Mathematics
- Problem-Solving Exercises

The test contains 40 multiple choice and three constructed response items.

**Alternative Actions:**

1. Accept the *GACE Early Childhood Education (001)* and *(002)* in lieu of the *Praxis II Elementary Education: Content Knowledge (0014)*. Accept the *GACE Middle Grades mathematics (013)* in lieu of the *Praxis II Middle School Mathematics (0069)*.
2. Do not accept the *GACE Early Childhood Education (001)* and *(002)* in lieu of the *Praxis II Elementary Education: Content Knowledge (0014)*. Do not accept the *GACE Middle Grades mathematics (013)* in lieu of the *Praxis II Middle School Mathematics (0069)*.

**Staff Recommendation:**

Alternative Action 1

**Rationale:**

The *GACE (001)* and *(002)* include categories that are nearly identical to the *Praxis II (0014)*, as well as additional subcategories. Although the number of questions per content

category within the *GACE (001)* and *(002)* is not identical to that of the *Praxis II (0014)*, the additional constructed response items help to ensure that a candidate's depth of knowledge has been assessed.

The *GACE (013)* contains nearly identical content categories and question types as those of the *Praxis II (0069)*.
